

Avoid Health Code Violations!

Hydrion® Sanitizer Test Center Starter Kit

Everything you need to test food-service sanitizer solutions, as required by federal, state, and local food safety codes.

Designed for maximum efficiency, the wall-mounted Sanitizer Test Center requires minimal space while putting sanitizer test kits within easy reach. The test center makes testing simple and serves as both a reminder for employees to perform mandatory testing and as proof of compliance to health inspectors.

- **Helps your customers avoid health code violations**
- **Hydrion® Test Papers are trusted by health agencies around the world for mandatory sanitizer testing**
- **Provides easy access to sanitizer test kits**
- **Made in USA**
